The purpose of this call for tenders is to carry out a study to map parameters, formats, standards, benchmarks, methodologies and guidelines, relating to 3D digitisation of tangible cultural heritage, to the different potential purposes or uses, i.e. preservation, reconstruction, reproduction, research, and general-purpose visualisation, by type of tangible cultural heritage, i.e. immovable or movable, and by degree of complexity of tangible cultural heritage, e.g. low, medium, high, and very high (reference VIGIE-2020-654).

This publication is made pursuant to Point 3.1 of Annex 1 to Financial Regulation 2018 that provides for an ex-ante publication on the Institutions' websites of contracts with a value up to 138.999,99 EUR.

Title: “Study on quality in 3D digitisation of tangible cultural heritage: mapping parameters, formats, standards, benchmarks, methodologies, and guidelines” VIGIE 2020/654 - Negotiated procedure with 5 candidates (Point 14.2 Annex I to FR2018 for procedures below EUR 139 000)

Purpose of this call for tenders: a study to map parameters, formats, standards, benchmarks, methodologies and guidelines, relating to 3D digitisation of tangible cultural heritage, to the different potential purposes or uses, i.e. preservation, reconstruction, reproduction, research, and general-purpose visualisation, by type of tangible cultural heritage, i.e. immovable or movable, and by degree of complexity of tangible cultural heritage, e.g. low, medium, high, and very high.

The European Commission will launch soon a call for tenders for a service contract of a maximum value of EUR 138 999.

The purpose of this call for tenders is to carry out a study to map parameters, formats, standards, benchmarks, methodologies and guidelines, relating to 3D digitisation of tangible cultural heritage, to the different potential purposes or uses, i.e. preservation, reconstruction, reproduction, research, and general-purpose visualisation, by type of tangible cultural heritage, i.e. immovable or movable, and by degree of complexity of tangible cultural heritage, e.g. low, medium, high, and very high.

Interested economic operators can express their interest to participate in the call for tender **until 11th May 2020** in writing to CNECT-VIGIE-2020-654@ec.europa.eu.

No evaluation is performed at this stage. All the economic operators who have expressed their interest to participate in this procurement procedure within the above-mentioned deadline will be subsequently invited to submit a tender. The contracting authority reserves the right to also invite economic operators not included in the list of interested economic operators who responded to this ex-ante advertisement.

An economic operator may consider submitting a tender as a single entity or in collaboration with other service providers: either by submitting a joint tender with (a) partner(s) (assuming joint and several liability towards the contracting authority for the performance of the contract) and/or through subcontracting. In case of a joint tender with (a) partner(s), all partners must be identified in the expression of interest and cannot be modified at a further stage of the procurement procedure.

Only the candidates invited by the contracting authority to participate in this procurement procedure will be admissible.
