## Alex Decoteau Crowds New Yorker for Honors in 5,000- Metre Race for World's Championship at Stockholm

Stockholm, July 9.—The trial heats of the 1500 metres, flat, race furnishing no surprising result is the winning of Jackson, England, who won the fourth heat, beating John Paul Jones, the great American miler, and indicating that he stands a chance to get into first place in the final tomorrow.

An unpleasant incident in the first heat of the 1500 metre race was the claim of Hare, England, that Sheppard, United States, spiked him and pushed him on the grass while rounding the last turn. The English committee who received Hare's complaint, declined to protest the heat.

The Canadians, Decoteau and Keep-

er, did well in the heats in the 5,000 metres.

The heats of the 5,000 metres run off today resulted as follows:

First heat—G. V. Bonhag, New York, A. Decoteau, Edmonton, Canada, second; Hibbins, Great Britain, third. The winner won by 10 yards in 15.22 3-5 seconds.

Second heat—H. I. Scott, New Jersey, won; Joe Keeper, Winnipeg, second; Hudson, Great Britain, third. Scott won easily in 15.23 1-2 seconds.

Third heat—Carlsson, Sweden, won; Grover, Great Britain, second; Porter, Great Britain, third. Carlsson finished 200 yards ahead of Porter. The Englishman eased towards the end. Time 15 minutes, 34 3-5 seconds.
